

CLUB APPLICATION

Dear Applicant,

The Federation have been involved in many important aspects over the last 12 months, such as working with the Department of Transport, to ensure the Roadworthiness Directive is implemented in the most equitable manner for all historic vehicle enthusiasts. The research programme we initiated in 2016 valued the movement at £5.5bn and our Skills Development team continue to create Apprenticeship programmes for young people. We recognise that making the connection between historic vehicles and our national culture and heritage is fundamental to maintaining our quite unique opportunity to use yesterday's vehicles on tomorrow's roads without restriction.

Subscription

The subscription is charged at 46p per member for clubs with 67 or more members. For Clubs with 66 members or less the subscription is a flat rate of £30.00.
